

# Durcon Signature Colors

For Epoxy Resin Products

Durcon has refined its signature epoxy resin color offering with beautiful, neutral tones to make color selection simple. Our new Lunar White is a bright choice for a modern look.

Durcon epoxy resin signature colors include Black Onyx, Graphite, Dark Khaki, Tan, Gray and Lunar White.

Special and custom colors are available. Have a color swatch you'd like to match? Send it our way. Your regional sales representative will determine color feasibility and pricing details.

2X2" color samples are available. Send your contact information and quantity request to [samples@durcon.com](mailto:samples@durcon.com).

Disclaimer: All colors printed here are close approximations of Durcon Inc.'s actual epoxy resin worksurface colors. Please use this spec sheet as a guide only. Epoxy resin color samples are available for accurate matching.

Black Onyx

Graphite

Dark Khaki
